Message from Mrs Phelps

Thank you to all of you for making our Summer Term events successful. All the staff and children have had a thoroughly enjoyable term. The children have worked extremely hard in the classroom and in the many extra curricular activities they have taken part in. From September there will be a monthly LAMPS newsletter keeping you up to date with news, events and dates. It will also be available on the community website. My personal thanks to all the staff and parents who have made me feel welcome during my first term at LAMPS. I will be available during Open Afternoon to talk to parents. Please feel free to say hello and introduce yourself. I look forward to your continued support in the year ahead. I hope you all have a lovely summer holiday and the children come back ready for an exciting and busy Autumn Term. **HAPPY HOLIDAYS!**

Building Work

Building work will be taking place throughout the Summer holidays. The building of a mezzanine floor will mean an increase in the size of the ICT suite and library. It will also create a bigger office space for Mrs Foote and Mrs Phelps. The building work is scheduled to be completed before the start of the Autumn Term. I hope to be able to display the plans on Open Afternoon.

Thank you

Earlier this term the PTA sent out a letter to parents asking them to give some of their time to weed the garden etc. as it had become very overgrown. There was a good response from the letter and several parents have given up their time to tidy up the garden. It is looking much better. Thank you very much for your help.

Please could you provide your child with a carrier bag on Wednesday 15th for your child to carry home their work from the past year. Thank you.
